

V4 series CAT6 Flat Cable Patch cord

Comply to TIA/EIA-568B.2-1;ISO/IEO 11801;NEC/CEC

Fire protection – IEC60332-1 (CM)

Application: Horizontal communication cable; for indoor installation

Wiring Scheme as ANSI/TIA/EIA-568-C.2: T568A & T568B

ISO/IEC 11801: 8-position conductor/pair assignment (1-2/3-6/4-5/7-8)

Retention: 50 N (11 lbf) for 60±5 s

Mating cycle life: min 750 cycles

Tensile strength: ≥ 20 N per wire

Installation Temperature: 0°C to +60°C

Operating temperature: -20°C to +60°C

Minimum bend radius: 4 outer cable diameters

Constructor: 8 cores, 7 strands, 30 AWG, UTP Cable Type: UTP Cat.6 Flat Patch Cable

Width: 6.1mm±0.2mm; Thickness:1.6±0.2mm

With Boot
